BODY THERAPY

Wholebody Cryotherapy

- Decreases inflammation, pain, cellulite.
- Increases energy, metabolism/collagen production.
- Improves insomnia, migraines, asthma.

Cryo Local

- Skin temperature dropped to 30 degrees in a local area.
- Reduces inflammation and pain.

Cryo Facial

- Stimulates collagen production.
- Reduces fine lines, inflammation redness & bruising.
- Helps alleviate headaches & migraines.

NovoTHOR Red Light Therapy

- A whole body red light therapy bed that uses near-infrared light to treat injuries, reduce pain, relax muscles/joints, and increase blood circulation.

Thor LX2 Cold Laser

- Uses LED and laser to reduce pain, inflammation, and speed healing.
- Repairs joint, muscle, tendon, ligament and skin tissue.

PEMF ElectronsPLUS

- Electrical charge (energy) is transferred through our therapist's hands and enters your body through touch.
- Decreases pain, inflammation & tissue necrosis.
- Helps increase range of motion, tensile strength in ligaments, nerve regeneration & loss of muscle function after surgery.

Neubie® Neuromuscular Electrical Stimulation (NMES) *NEW

- Uses electrical impulses through the skin to nerves in tissue to elicit muscle contractions and sensory impulses.
- Maintains or increases range of motion, increases local blood circulation, neuromuscular re-education, prevents atrophy, reduces spasms, prevents venous thrombosis after surgery.
- Manages and relieves chronic pain, post-surgical, and acute pain.

Manual Therapy / Kinetic Chain Therapy

- Skillful use of the hands to mobilize/manipulate joints, massage and lengthen soft tissues, and to monitor and facilitate improved neuromuscular control.

Rolfing® *NEW

- Rolfing Structural Integration is a form of therapy directed at bringing a person's bodily structure into a more harmonious state, exploring new possibilities of posture and movement.

Medi-Cupping®

- Uses a machine to create suction to help pain, inflammation, blood flow, relaxation and well being.

PRP Therapy

Free Consult*

- The injection of your own blood platelets to accelerate healing in a joint performed by our Dr. that specializes in pain management.

Compression Therapy

- Normatec Pulse Pro & Squid Compression (Cold and Pulsed Compression).

Hyperbaric Chamber Therapy

- Safe, relaxing and highly-effective way to deliver more oxygen to the cells of the body.

SculpSure

Free Consult*

- A safe, non-invasive, effective treatment using laser to destroy fat cells.

CryoSkin

Free Consult*

- Toning and tightening for the body.
- Helps reduce cellulite.

SKINCARE

Hydrafacial Elite MD

Uses patented technology to cleanse, extract, & hydrate with super serums made with nourishing ingredients that create a gratifying glow.

Procell Microchanneling

Uses a stem cell serum, to improve the appearance of fine lines, uneven skin tone, wrinkles and scarring with virtually no down time.

Celluma Light Therapy

Manages a variety of skin conditions, improves cellular repair.

XO8 Restorative Mask with Celluma

- Snail Secretion Filtrate which improves and prevents scarring while tackling premature aging due to UV exposure.
- Increases collagen production, enhances skin hydration and improves skin texture.

XO8 Revitalizing Face & Neck Mask with Celluma

- Uses a cocktail of unique and highly active ingredients proven extremely effective in rejuvenating the skin.
- Includes the purest stem cells, amino acids, nutrients, and antioxidants necessary to fight the signs of aging.
